

# UT Math: Undergraduate Course Assistant (UGCA) Application

The duties of an Undergraduate Course Assistant (UGCA) can vary from course to course; the experience for all UGCAs involves three related activities:

1. Content: UGCAs meet weekly with their mathematics faculty instructor and/or course TA to plan for the upcoming week, reflect on the previous week, analyze assessment data and support Calculus Lab hours;
2. Practice: UGCAs facilitate collaboration among learning teams of students by formatively assessing student understanding and asking guiding questions; UGCAs assist the faculty instructor and course TAs;

The following criteria have been established for the selection of Undergraduate Course Assistants:

- A. Undergraduates who have received excellent grades in M408C, M408D, and in any upper-division mathematics courses taken.
- B. Undergraduates who have completed their Freshman year.

1. Name \*

Lauren Thomas

## 2. UT EID \*

LPT396

## 3. Email \*

lt181831@utexas.edu

## 4. Semester for which you are applying for (e.g. Fall 2023, Spring 2024,...) \*

☒ Fall 2023☒ Spring 2024☒ Fall 2024

## 5. Classification \*

Sophomore

6. Will you be a full-time student (12 SCH) or will you only take your final required courses which is less than 12 semester credit hours? \*

☒ Yes, I will be a full-time student, registering for 12 credits.

☐ No, I will not register for 12 credits.

7. School/College \*

College of Liberal Arts (currently applying to the College of Natural Sciences)

8. Major \*

Government (currently applying to Mathematics)

9. Will you be holding another position at UT during the semester of which you are applying? \*

☐ Yes

☒ No

☐ Maybe/unsure

10. Please list the hours per week you intend to work in the other UT position

None

11. Have you been an UGCA in a previous semester? \*

☐ Yes

☒ No

12. Please let us know about your mathematics background (list courses you have taken, including grade)

I have completed M 305G and M 408C. I am taking M 408D over the summer, so it will be completed by Fall 2023. I have received all A+ grades for these courses. I also already took precalculus and AP Calculus BC in high school so I have proficient knowledge and capabilities in the classes I have already taken especially M 305G.

13. Please mark all UT coursework (or its equivalent at another institution) you have taken in mathematics

☐ M 302

☒ M 305G

☒ M 408C

☒ M 408D

☐ M 408K

☐ M 408L

☐ M 408M

☐ M 408N

☐ M 408Q

☐ M 408R

☐ M 408S

☐ M 316

☐ M 316K

☐ M 325K

☐ M 328K

☐ M 329F☐ M 427K☐ M 427J☐ M 340L☐ M 341☐ M 362K☐ M 368K☐ M 372☐ M 373K☐ M 373L☐ M 374☐ M 378K

14. Anything else you would like to share with us (for example: have you been a Math UGCA before, were you encouraged to apply by a professor, it would be helpful to let us know)?

Because my previous M 305G professor, Kathryn Dabbs, is leaving, I cannot be a UGCA for her, but s
